Here is the summary as noted in the Reply Affidavit; of my response to your 13 April 2016 Notice to Oppose:

Lara suggests that the matter be postponed to provide Clive the opportunity to digest the evidentiary contents of Lara's Response Affidavit; for his further consideration; to provide the court with his responses to Lara's questions and suggestions to the Issues in dispute.

Assisted Suicide: Considering the contradictory representations between Clive's 08 November 2015 and 13 April 2016; responses to Lara's assisted suicide request; should Lara and the court interpret Clive's 13 April 'solution' as an offer for further negotiation; or as a fully informed final decision?

Taaibos Barter Agreement: Pending resolution of Dignitas Assisted Suicide – whether financed by Clive; or by Dignitas via Exemption of Fees – which can take months and sometimes a year or two to get required paperwork approved; Lara suggests Lara, Clive and Ann take this opportunity to draw up a temporary Taaibos Residency Rules Agreement.

Mental Disorder Allegations: Lara's hypothesis is that there are numerous factors that collectively contribute to the reality that it is understandable that Clive may have doubts about what to believe regarding Lara's state of mind and activities. Consequently Lara has some suggestions for Clive and the court to consider; to enable Clive to make a more fully informed decision about whether he wants to make 'mental disorder' allegations against Lara.

Timothy McVeigh Faked Execution: Lara has informed Clive that there were possible signals intelligence clues; that could be interpreted as a message that Timothy McVeigh; or if not Timothy McVeigh; someone pretending to be Timothy McVeigh; used military intelligence psychotronic technology to partially cause Clive's GI bleeding attack.

Get a Job or Prove EoP Activism is Worth It: Is Ecology of Peace Activism worth it? If there are any individuals on planet earth who prefer a relatively orderly, humane and fair de-industrialization and depopulation process; for themselves and their families; the honest answer would be: Yes, it's worth it. If none. No.
