Colonel Eugene de Kock:

Colonel Eugene de Kock: Request for Information

I am looking for an honest person; who is willing to consider the following request; which is one a few options I am considering with regard to honourably and transparently resolving [EoP v WiP](http://tygae.weebly.com/eop-v-wip.html)³ NWO negotiations.

Request: Honest Person to Confirm my Assisted Suicide in Russia for my parents: Clive and Ann Johnstone:

Summary: I need an honest person to (a) meet my parents; (b) accompany me to travel to Russia: Siberia; (c) make sure that my body is disposed of in the Siberian wilderness in an unmarked grave; after I have committed suicide in the Siberian wilderness; (d) notify my parents of your confirmed knowledge that I departed the planet by suicide on my own terms; and that my body was buried by yourself; in the Siberian wilderness in an unmarked grave.

The only person in South Africa I know of; who values sincere buck stops here honesty; is yourself. Perhaps you know other South Africans who value sincere buck stops here honesty. I don't. Years ago I thought people such as Nelson Mandela, Archbishop Tutu and Patricia de Lille valued sincere buck stops here honesty; but I was very wrong.

If you are willing to help me with the request; then discussions can ensue to discuss my request in more detail for clear agreement by myself, yourself and my parents; and to resolve all legal issues; via written and/or if needed court proceedings; such as travel permission from Russian authorities for your and my travel to Russia; and their consent for my departure and burial request; and SA Dept of Corrections parole authorities for you to travel to Russia; and basic legality of all details regarding the request. Magistrate Torlage has recently confirmed for my parents as part of *Lara Johnstone v Clive Johnstone* court proceedings; that it would be legal for my parents to financially help me to travel to Switzerland to the Dignitas Assisted Suicide clinic. Its very expensive and my preference – which I imagine would be cheaper -- would be to die in Russia and be buried in the Siberian wilderness near Lake Baikal. Our negotiation discussions and if agreement is reached: my suicide and burial in Russia shall be [psychotronically monitored](https://www.youtube.com/watch?v=sfgZrRoflCI)⁴ and recorded by NSA and FSB officials; as all *EoP v WiP* NWO negotiations I have been involved in have been; for the past 15 years.

My preference would be Timothy McVeigh and/or Michael Martin; but fifteen years of attempts to request American and South African authorities to support an Ecology of Peace Truth Commission; regarding the Oklahoma City Bombing and/or Apartheid State and ANC acts of terror; were conditionally approved for consideration by Pentagon officials; but have so far been refused for the past 15 years; by Oklahoma City

³ <http://tygae.weebly.com/eop-v-wip.html>

⁴ <https://www.youtube.com/watch?v=sfgZrRoflCI>

Bombing Prosecutors and Accused Counsel; South African politicians, lawyers, prosecutors, judges; Archbishops, psychologists, Truth and Reconciliation Commission officials, etc.

If you are willing to sincerely consider my request; and have questions; which I imagine you may have; I can ask my parents if they shall allow you to come and live in our home, in the spare bedroom; for the time period of you making a fully informed enquiry into my request; where you may ask any question you want regarding my motives or efforts to find alternative legal, political and/or military options for resolving the aforementioned Ecology of Peace social contract issues; and I shall provide you with written buck stops here answers to your questions; before you make your final decision about my request.

More information on my Assisted Suicide to Russian Officials is in a Notice of Motion Draft Application; which I filed in George Magistrates Court: Case 5048-15: [Lara Johnstone v Clive Johnstone](#)⁵; 04 December Filing: Current Status of Negotiations: Search for Culturally Sensitive Assistance of Counsel for Respondent: Annexure: E: 29 Nov 2015: Amended Notice of Motion 01 [PDF](#)⁶; (ii) *Founding Affidavit* [PDF](#)⁷; (iii) 06 November 2015 correspondence to Timothy James McVeigh: via Dept of Justice: Asst Attorney General for National Security: National Security Division: Lisa Monaco: Subject: *RE: Timothy J McVeigh: Formal Apology: Re: Fraud of Radical Honesty Cult* [PDF](#)⁸.

Transparency Disclosure:

There are a few SIGINT indications indicating the possibility that you; and other individuals; were being [psychotronically manipulated](#)⁹ by military intelligence agencies; with regard to your recent appearance at the Franschoek Literary Festival.

As noted in 01 February 2015 correspondence *VPutin New-or-No Rules Q: | A: ANC Alleged Promise of Parole of Vlakplaas Commander: Eugene de Kock*; documented in SA Courts WiP Only Enquiry [[PDF](#)¹⁰]; I avoid providing EoP interpretations of possible International military intelligence psychotronic manipulation of South African individuals; if or when such interpretation may contain information that may offend some fragile ego African, Afrikaner or English European South African; who prefers gatkruiing to honesty.
