AMENDED NOTICE OF MOTION 01

**Issues in Dispute:
McVeigh Faked Execution & Russia Assisted Suicide**

Take Notice that Lara Johnstone (“hereinafter called the Applicant”) intends to make an application to this Court on _____, at 09:30 hrs; for juridical oversight of Taaibos Barter Agreement negotiation proceedings between Applicant: Lara Johnstone and First Respondent: respectively Clive Johnstone; whose Issues in Dispute partially include Second and Third Respondent.

Lara Johnstone hereby requests an order from the court in terms of the following common law and legislative doctrine:

The applicant requests the court: (a) to provide juridical magistrate oversight by acting as a reasonable impartial arbiter to (i) facilitate applicants right to invoke cultural law; should others dispute her right to practice her Ecology of Peace

Radical Honoursty culture; and (ii) to enable the resolution of Issues in Dispute between applicant and respondents with a focus on amicable win-win resolution based upon evidence; (b) Once agreement is reached between the applicant and any respondent/s: to confirm such agreement as an order of court.

COMMON LAW & LEGISLATIVE DOCTRINE RELIED UPON:

[1] Judicial Oversight:

[1.1] The inquisitorial win-win negotiation of 'issues in dispute' to have magistrate oversight and the final agreement to be made a Magistrate and/or if necessary High Court order.

- A. Inquisitorial juridical proceedings: An inquisitorial system is a legal system where the court is actively involved; with both parties; in investigating the facts of the case, while simultaneously representing the interests of the state; as is used in countries with civil legal systems; deriving from Roman law or the Napoleonic Code; such as Europe, Russia, China and South America. The presiding judge is not a passive recipient of information. Rather, the presiding judge is primarily or partially responsible for supervising the gathering of the evidence necessary to resolve the case. He or she is actively involved in steering the search for evidence and questions the witnesses, including the applicant and respondents. Attorneys suggest routes of inquiry for the presiding judge and follow the judge's questioning with questioning of their own.
- B. Adversarial judicial proceedings: An Adversarial juridical system is a legal system used in the common law countries; such as America, Canada, Britain and Australia. Advocates represent their parties' positions before an impartial or allegedly impartial person or group of people, usually a jury or judge, who attempt to determine the truth of the case; but whose final decisions are limited to the court record information provided to them by what the attorneys consider 'relevant'. If or where the attorneys exclude relevant information; the Judge cannot consider that information; even if he or she is aware of that possible information. If it has not been submitted into the court record by either side; then the Judge is only allowed to consider the information provided to the court. The judge or jury knows nothing of the litigation until the parties present their cases to the decision maker, and cannot take an active truthseeking role in the

proceedings; to determine if possible relevant information has been denied to them. The defendant in a criminal trial is not required to testify.

[2] Invocation of Cultural Law and Habeus Mentem Cultural Psychological Integrity and Assisted Suicide Declaratory Order:

[2.1] *Invocation of Cultural Law:*

[2.2] If necessary: Permission to invoke¹ cultural law² in S. 15(3), 30, 31, and 18; to enable the Applicant to honour the duty and responsibility to uphold the principles upon which her Ecology of Peace Radical Honoursty culture is based; and Psychological Integrity in Section 12³; the former which may require the application of choice of law rules; giving effect to Applicants rights:

- A. To (i) pursue and participate in a culture of their choice; and implicit in this choice is a duty and responsibility to uphold the institutions upon which that culture is based; (ii) bodily and psychological integrity.

[2.3] Confirming that Lara Johnstone is a member of the Ecology of Peace Radical Honoursty culture.

[3] *Request for Access to Information:*

[3.1] In terms of: South Africa: The Promotion of Access to Information Act, 2000; Act 2 of 2000⁴; also known as the PAIA; USA: Freedom of Information Act⁵; Russian Federation: Law on Providing Access to Information on the Activities of State Bodies and Bodies of Local Self-Government⁶; giving effect to Applicants right:

- A. Of access to any information held by the state, as well as information held by another person that is required for the exercise or protection of any right.

¹ Ex parte Minister of Native Affairs: In re Yako v Beyi 1948 (1) SA 388 (A) at 397: Appellate Division held that neither common nor customary law was prima facie applicable. Courts had to consider all the circumstances of a case, and, without any preconceived view about the applicability of one or other legal system, select the appropriate law on the basis of its inquiry.

² SALC, Sept 1999: Report on Conflicts of law: P.22: '1.58. The Constitution now provides an entitlement for invoking customary law in legal suits. Because ss 30 and 31 specifically guarantee an individual and a group's right to pursue a culture of choice, it could be argued that application of customary law has become a constitutional right. Previously, the state had assumed complete discretion in deciding whether and to what extent customary law should be recognized, an attitude typical of colonial thinking, for Africans were subject to whatever policies the conquering state chose to impose on them. Now, however, the state has a duty to allow people to participate in the culture they choose, implicit in this duty is a responsibility to uphold the institutions on which that culture is based.'

³ 12. Freedom and security of the person: (2) Everyone has the right to bodily and psychological integrity.

[3.2] Confirming that Clive Johnstone has requested written legal confirmation of the McVeigh Faked execution information herein documented from Former President George W Bush; via his legal representative in South Africa: the US Ambassador in Pretoria: Patrick Gaspard; and if not provided; shall not be held accountable and shall be free from any civil, criminal or disciplinary liability that may arise from Lara Johnstone's decisions to end her life.

[4] ***Habeus Mentem Cultural Psychological Integrity:***

[4.1] In terms of The Euthanasia Judgement by Judge Hans Fabricius in North Gauteng High Court reported in SA Law Reports as 2015 (4) SA 50 (GP): Stransham-Ford v Minister of Justice and Correctional Services and Others (GP) (unreported case no 27401/15, 4-5-2015) (Fabricius J); and international Euthanasia legislation; giving effect to Applicants rights to:

- A. human dignity; not to be treated in a cruel, inhuman or degrading way; and bodily and psychological integrity.

[4.2] Confirming that Lara Johnstone may request Clive and Ann Johnstone to help her to make the required arrangements to end her life by assisted, if and when she chooses to do so; that Clive Johnstone and the Russian Ambassador in Pretoria: Mikhail Ivanovich Petrakov and/or Russian Federation Officials; may help Lara with the requested travel and temporary residency permission documentation; for her assisted suicide in a dignified manner in Siberia Russia; and shall not be held accountable and shall be free from any civil, criminal or disciplinary liability that may have arise from Lara Johnstone's decisions to end her life.

[4.3] To the extent required developing the common and/or civil law, by declaring the conduct lawful and constitutional in the circumstances of this matter.

[5] **General Court and/or Declaratory Order:**

[5.1] To issue a general court and/or declaratory order of court confirming Applicant and Respondents *Taaibos Barter Exchange* and/or *Russia Euthanasia Suicide* negotiated written agreement as an order of court; once negotiations are completed.

REQUEST INQUISITORIAL TRUTHSEEKING WIN-WIN PROCEEDINGS:

[6] The applicant requests that the resolution of these issues in dispute occur via primarily inquisitorial proceedings with a truthseeking and win-win conflict resolution focus; where all parties are enabled and empowered by sharing honest accurate information with each other; tested for scientific evidentiary validity; for

the benefit of all parties; setting common and/or civil law precedents based upon ecological resource reality; thereby enhancing the juridical system's reputation for impartial truthseeking of resource and social-conflict resolution problem solving juridical arbitration; amongst the citizenry.

[7] If any respondent prefers zero-sum game adversarial proceedings; where a liar with best legal propaganda is the winner; an honest man with no lawyer loses; the common or civil law loses by setting precedent based on parasitic legal propaganda not proven scientifically relevant evidence; and the only winners are lawyers profiting from 'innocence for sale indulgences' legal propaganda conflict escalation; for their legal colleagues parasitic profiteering off misery benefits; damaging the juridical system's impartial truthseeking and problem solving social-conflict resolution reputation amongst the citizenry; kindly provide the applicant and court with your reasons and justifications for such zero-sum game adversarial proceedings.

TAAIBOS BARTER EXCHANGE INFORMATION REQUESTED:

Request for Timothy McVeigh Faked Execution Information:

Lara's Information regarding Timothy McVeigh Faked Execution:

[16] Summary of Timothy McVeigh Faked Execution information I provided to Clive and Ann Johnstone, other Johnstone family members:

[17] *McVeigh Faked Execution Information:*

[17.1] Sometime between April - December 2001 I informed Demian Johnson that I wanted a divorce; citing my feelings for Timothy McVeigh. Initially Demian was angry and very upset; and had a lot of questions. I answered them as honestly as I was able. We discussed the issue for a few weeks; Demian agreed to an amicable divorce. My divorce paperwork with Demian Johnson was not completed, before I was deported by the Immigration & Naturalization Service in March 2002.

[17.2] Sometime between August 2001 - January 2002 I was informed – in Phoenix and Flagstaff Arizona, Oakland and Berkeley California – by Timothy McVeigh's Special Forces Commanding Officer: Sgt Michael Martin [not his real name]; that McVeigh's 11 June 2001 execution had been faked. Martin had run into McVeigh on the 4th of July weekend; where they had discussed among other issues the OKC bombing and McVeigh's faked execution.

[17.3] Sometime between December 2001 - January 2002 I provided Martin's information to the Office of California Governor Gray Davis; for him to confirm with the White House. Secret Service Steve West informed me that Governor Davis confirmed the information with President George W Bush at a meeting in San Bernadino County. Presumably Governor Davis authorized Steve West to inform me; because Mr. West informed me publicly face to face in the California Governors Office.

[18] Between 2002-2015; I also provided the McVeigh Faked Execution Information in writing to:

[18.1] *OKC Bombing Prosecutor*: Beth A Wilkinson: bwilkinson@paulweiss.com; *FBI Investigators*: Danny Coulson: info@CoulsonJacksonSecure.com; Danny Defenbaugh: Info@DannyDefenbaugh.com.

[18.2] *OKC Bombing Accused: Timothy McVeigh Counsel*: Stephen Jones: sjones@stephenjoneslaw.com; Rob Nigh: rnigh@brewsterlaw.com; *Terry Nichols Counsel*: Michael Tigar: mtigar@wcl.american.edu; *Michael Fortier*: Mr. Michael Fortier via Michael G Mcguire via Tulsa Co Bar Assoc Exec Dir: Kevin Cousins: kevinc@tulsabar.com; Tulsa Attorney: Kevin Adams: Lawyeradams@me.com.

[18.3] *Bill McVeigh & McVeigh Family via Buffalo News*: Lou Michel: lmichel@buffnews.com; Dan Herbeck: dherbeck@buffnews.com. A few times in 2001 before I was deported I attempted to get Bill McVeigh's telephone number via Buffalo News; but they refused to give it to me. [19] ***Responses to McVeigh Faked Execution Information:***

[19.1] ***Clive and Ann Johnstone:***

- A. Sometime in 2002: Clive and Ann Johnstone doubted the information about Timothy McVeigh being alive. So I suggested that they pick up the phone and call the White House. Ann Johnstone then called the White House; with the telephone number I had given her. She asked the White House person who answered the phone; if the people in the White House knew who I was. The man – name unknown or I can't remember – said yes the White House knew who I was; and asked Ann if she knew who my boyfriend was. Ann Johnstone replied: Timothy McVeigh; and the man and Ann then had a short conversation about Lara Johnstone and Timothy McVeigh.
- B. Clive and Ann Johnstone no longer doubt the possibility that McVeigh's execution was faked; but they do doubt that McVeigh cares for Lara.

Timothy J McVeigh: Formal Apology: Re: Fraud of Radical Honesty Cult

This is a formal on the record apology for your records; via DoJ: National Security
Division: Asst Attorney General Lisa Monaco; copied for your convenience and
transparency to among others: Ft George Meade Garrison Commander: Col Brian Foley.

I have become aware of information and evidence proving such information as accurate;
that information which I submitted to you; suggesting quasi legal options for helping to
resolve the USA v Timothy McVeigh -- Denver Oklahoma: Criminal Action No. 96-CR-
68-M; US Court of Appeals: Tenth Circuit: No. 98-1247 -- charges against you; were
erroneous / inaccurate.

More specifically and with greater clarity than the original 2001 letter:

In my 2001 letter to President G W Bush and yourself – subsequently deleted from my
laptop by unknown individuals – I requested that Pres Bush give you a stay of
execution; so that you could meet with the Oklahoma City bombing victims; in an
alternative venue interested in the evidence; the whole evidence and nothing but the
evidence. I suggested such an alternative venue to include the founder of Radical
Honesty and Radical Honesty Trainers; to help facilitate honest forgiveness and
truthseeking problem solving related to the causes of the OKC bombing and US foreign
policy. Such alternative venue would provide OKC bombing victims and/or victims
and/or critics of US foreign policy who were (a) angry with you; and/or (b) not being
provided answers to their questions by the legal court proceedings; with the opportunity
to (c) express their anger and get over their anger; and once so done; and/or (d) listen to
your justifications. Once they had considered your Ecology of Peace evidence; they could
determine whether your actions were objectively and/or subjectively legally (a) justified,
and if so: acquit you and cooperate with you to address the root causes of OKC bombing;
or (b) unjustified: and convict you and sentence you and me to death.

Errors:

My belief that Radical Honesty Founder: Brad Blanton and Radical Honesty Trainers
would care deeply about helping to facilitate honest forgiveness and truthseeking
problem solving of the -- Masonic War is Peace social contract causes of domestic

militarization of police and foreign policy resource war -- causes of the OKC bombing; were incorrect. They are not sincere about facilitating honest forgiveness and truthseeking problem solving of the causes of resource conflict; between members of their own little Radical Honesty cult; let alone being willing to facilitate honest forgiveness and truthseeking problem solving related to causes of resource conflict between their cult and other – ethnic, class or religious – cults.

Put simply: I don't think 'radical honesty forgiveness' procedures can work with insincere parasitic people.

If any 'radical honesty' cult members are sincere root cause problem solver truthseekers; after they have resolved their anger through 'radical honesty forgiveness' processes; they would be quite amenable to sincerely investigating the root causes of whatever it was that caused their social conflict; and would quickly conclude that the root cause of all religious, gender, class, and ethnic resource war conflict; is a Masonic War is Peace international law social contract that allows the worlds citizens the right to breed and consume without any regard for ecological carrying capacity limits; resulting in resource depletion and scarcity and religious, gender, class and ethnic resource war conflict. They would then agree to cooperate and support each other to determine whether it was possible to abolish the Masonic War is Peace social contract; and replace it with an Ecology of Peace international law social contract.

Well the radical honesty cult use those radical honesty forgiveness procedures and it ain't helped any of them to get over their anger and confront Ecology of Peace facts reality. That could mean either (a) radical honesty forgiveness procedures don't work; or (b) radical honest forgiveness procedures don't work on insincere people; who are only pretending to engage in the process of forgiveness to clean out their minds jail of beliefs; and confront Ecology of Peace Facts reality.

Ecology of Peace facts reality: 1. Earth is not flat; 2. Resources are finite; 3. When humans breed or consume above [ecological carrying capacity limits](#)¹, it results in resource conflict; 4. To sustainably protect and conserve natural resources in accordance to local and national carrying capacity limits; and restrict [national and international inter-cultural resource war conflict](#)²; humans must implement an Ecology of Peace international law social contract that restricts all the worlds citizens to breed and consume below ecological carrying capacity limits.

I imagine individuals who are sincere about addressing the root causes of resource war conflict; may be quite capable of agreeing to Ecology of Peace facts reality; without having to go through any 'radical honesty forgiveness' process of venting their rage; or may have their own process of getting rid of their minds jail of beliefs. Quite simply some form of cultural military honour or scientific intellectual integrity; or religious old believers like conscience may be quite as capable of encouraging an individual to confront Ecology of Peace Facts reality; if not more so; than 'radical honesty forgiveness' procedures.

Corrections to 2001 letter to President G W Bush and yourself:

My current working hypothesis conclusion is that all that is absolutely necessary is for such an alternative venue would be (a) The 'Justice Quartus de Wet & Jury Percy Yutar mercy' guarantee prior to the start of proceedings; that if the Judge or Jury finds us guilty; the Judge shall agree to our EoP cultural mercy preference not to waste taxpayers funds as prisoners; but the opportunity for us to be granted a two year exile to live together somewhere quietly in a village in the Siberian or similar wilderness; before the Red Army execute us by firing squad and bury us together in unmarked graves in the Siberian wilderness; (b) The judge and jury's commitment to the evidence; the whole evidence and nothing but the evidence; so that both Ecology of Peace and Masonic War is Peace parties could submit their evidence; for the Judge and/or Jury's consideration; (c) Once the Judge or Jury have considered all the Ecology of Peace and Masonic War is Peace evidence; if they determine that your Ecology of Peace actions were objectively and/or subjectively legally (i) justified, to acquit you; or (ii) unjustified: to convict you and sentence you and me – as your EoP Bram Fischer expert witness to the subjective reasonableness of your military necessity actions -- to death in Siberia; as per 'Justice Quartus de Wet & Jury Percy Yutar mercy' guarantee.

Fraud of Radical Honesty Cult:

As you are aware; at the time I was a member of the Radical Honesty culture; and sincerely believed that the founder and trainer members of the Radical Honesty culture were sincere about honestly resolving the root causes of – race, class, religion – social resource war conflict.

It has slowly become apparent to me that I was extremely naïve and that Dr. Blanton and his 'Radical Honesty' trainers are not remotely sincere about honestly resolving the root causes of – race, religion and class – resource war social conflict.

Awakening to Dr. Blanton's and Radical Honesty cultures fraud has been a slow process; such as waiting for him to notify South African courts that he wishes to withdraw his expert witness affidavits – as per [my discussion with Brad Blanton and Radical Honesty Trainers; after I filed an application with Norwegian Oslo court in the matter of Norway v Anders Breivik; on the issue of free and fair trials for everyone, white or black, rich or poor, right wing or left wing](#)³ -- and the perjury reasons for his withdrawal of his expert witness affidavits.

Radical Honesty: 'Honour'; Cleaning Out Minds Jail of Beliefs:

I really believed that Brad Blanton was a sincere truthseeker; more specifically that he was sincere about (a) honour and that his definition of honour was based on honesty and a world where honour and honesty is rewarded with support from the radical honesty community; and (b) his 'jail of belief'; that if or when he was confronted with information that proved any of his working hypothesis conclusions about reality to be incorrect; he would 'clean out the trash belief' in his mind; and let everyone know he had cleaned out the trash belief in his mind; and replaced it with new more accurate working hypothesis conclusion.

³ <http://norway-v-breivik.blogspot.com/2011/07/radical-honesty-debate-norway-v.html>

I was profoundly affected to create this working hypothesis that was almost, if not; truly a belief in Brad's sincerity about honour and living honourably and honestly; by Brad. I remember sitting in a workshop and it was near the end of the workshop and Brad was sobbing like a baby; talking about radical honesty and honour; and that maybe he had not accomplished much or become a success according to conventional materialist principles of success; but he had no conscience problems; because he knew he had lived an honourable life; he had been nothing but brutally honest with people he loved and cared about and related to; he had not lied to them; he could depart this planet and know: I told the truth to people I cared about and worked with; irrespective of the consequences and I supported other truth tellers; and worked with them to create a world where honesty is rewarded.

It was one of the foundations for my willingness to risk so much to support him; to show him that I sincerely believed that he was sincere about the co-creation of a world where honour and honesty is rewarded with support from the radical honesty community. I would provide him with such support; inform the world and people whom I thought may be interested in an honest and honourable world, about the work he was doing; so that they could cooperate and we could create a different world; where honesty and honour are rewarded.

I cannot tell you how many times he has regurgitated the importance of getting over the 'jail of belief'; that if or when he was confronted with information that proved any of his working hypothesis conclusions about reality to be incorrect; he would 'clean out the trash belief' in his mind; and let everyone know he had cleaned out the trash belief in his mind; and replace it with new more accurate working hypothesis conclusion. His books: Radical Honesty; and Practicing Radical Honesty; and his workshops deal with the issue over and over again.

I was wrong. My repeated efforts to inform Brad Blanton and his Radical Honesty trainers how and why I considered them to be engaged in fraud; giving them the opportunity to respond to me and clarify where or how I was in error; were ignored; except for Mike Lewinsky who responded that Radical Honesty is not about honour, making clear agreements, keeping those agreements; i.e. fully informed consenting agreements; Radical Honesty is about living without rules. Re Radical Honesty Honour:

I don't know if anyone else in the Radical Honesty cult actually ever considered Brad Blanton to be sincere about honour.

As noted in legal documentation filed on 17 October 2013; I no longer think that Brad Blanton or any Radical Honesty Trainers are or ever were sincere about honour.

Put simply I don't think Brad Blanton or Radical Honesty Trainers would be interested in making fully informed consenting agreements; about cooperating to make rules to live by that are based upon confronting ecological carrying capacity limits and fully informed consenting agreements; because they care about honourable living with their fellow cult members; let alone with members from other cultures, races and religions.

⁴ http://sqswans.weebly.com/uploads/1/3/8/7/13878165/15-08-12_lj_bblanton-rh.pdf

I doubt you'd get them to cooperate to make rules to live by that are based upon confronting ecological carrying capacity limits and fully informed consenting agreements; if you stuck a gun to their heads.

Two days ago a seven year old African child pointed a gun at my head. I was walking my dogs to the forest. When I crossed the road there were a few young African children playing. They followed me and the dogs and one called to get my attention. 'Aunty' he called. So I stopped and turned around. He was about seven and had a pistol in his hand which he pointed at my head. It appeared as if he was attempting to play child soldier and intimidate me in front of his fellow child soldiers. I asked him what he wanted and why he was pointing a gun at my head; and that he should be careful about pointing a gun at someone; cause some police officers don't care about whether you are a child, if you are pointing a gun at them or someone else; they simply shoot first and put a bullet through your brain and ask questions later. If you going to point a gun at someone's head; you better be willing to pull the trigger or apologize for pointing a gun at their head. He said 'sorry aunty; its just a pellet gun'; and stuck it into his trousers. It looked very much like a real pistol to me; but I didn't start an argument about whether his gun was real or not. I asked him about what his mother thought about him having a gun; and where she was. He was a twin. His mother was dead and he and his brother were living with his grandmother.

I don't have a gun to stick to anyone's head; but as overpopulation and overconsumption collides with declining resources; more and more people; including children; will be sticking guns to other people's -- including children's -- heads.

Re Radical Honesty Cleaning Out Minds Jail of Beliefs:

I don't know if anyone else in the Radical Honesty cult actually considered Brad Blanton to be sincere about cleaning out his mind's jail of fundamentalist beliefs.

I no longer think that Brad Blanton is or ever was sincere about cleaning out his minds jail of fundamentalist beliefs; and I don't think any Radical Honesty Trainers are or ever were sincere about cleaning out their minds jail of fundamentalist beliefs.

They say their primary reality is based on 'noticing'; but no matter how much information and evidence you provide Brad Blanton and his Radical Honesty cult trainers that the earth is not flat; that it is round and that its resources are finite; the more they refuse to include it in their 'noticing' about reality.
